Dear Mr. Shepherd:

U.S. EPA and IEPA hereby approve the "October 1991 Second Draft Operation and Maintenance Manual" (O&M Manual) transmitted by your October 11, 1991 letter to U.S. EPA, with the amended page 34 transmitted by your November 15, 1991 letter to U.S. EPA. The amended page 34 should be substituted into all copies of the O&M Manual. The approved O&M Manual is a submittal required by current Remedial Action Consent Decree Statements of Work and is an integral and enforceable element of the Remedial Action Consent Decree.

If you have any questions concerning this letter, please contact me at (312) 886-4742.

Sincerely yours,

Brad Bradley
